

Robin And The Giant

Florida's Favorite Acoustic Children's Duo

Books by Robin And The Giant

In addition to songs, concerts, and broadcasts, Robin And The Giant have also written and published three books. They are titled, "The Gift Of The Barking Frog," "Live To Sniff," and "XOB, The Full Circle Quest." Here is a brief description of those titles.

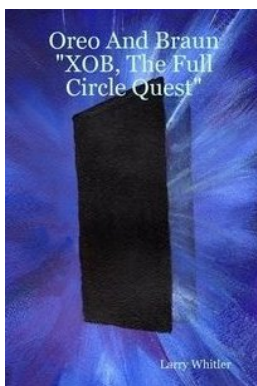

The Gift Of The Barking Frog – And Other Gifts From The Heart

In this 571 page book, Robin And The Giant tell 56 short stories for children and other deep thinkers! These stories were written by Robin And The Giant (also known as Robin MacBlane and Larry Whitler) for their children's radio program. Includes the title story, "The Gift Of The Barking Frog," which was a story originally written as a performance story and song by Robin And The Giant for their live shows. The version in the book has been re-written so it can be read aloud by young readers (and teachers!)

Live To Sniff – A Tale Of Two Pups

Written in rhyming verse, Robin And The Giant tell the story of two puppies from two different worlds who discover each other. The pups are named "Little Miss" and "Biff." Robin MacBlane writes the story line of "Little Miss," a city dog who takes a trip to the country. "Biff," a male pup, whose story is told by The Giant (Larry Whitler), is a country dog and sees "Little Miss" from afar and it is love at first sight! Both dogs explore their two different worlds by sniffing and Robin And The Giant reveal at the end the metaphor that sniffing helps dogs to learn the way reading helps children to learn. Fully illustrated!

Oreo And Braun – "XOB, The Full Circle Quest"

In this novel for young readers, written by Larry Whitler, two nine year old boys, named Oreo and Braun, accidentally discover a time portal when they attempt to return a walking cane to an old man in the restroom of a restaurant. They step back into 1941 but are unable to return to their own time (1996) when they carry the cane through the doorway. In the process the boys meet a series of characters and some important lessons are learned including the absurdity of prejudice.
