"The twins and I love your music! Once you get past 101 Toddler Favorites, you find really great sophisticated "real music" for the kids that won't make Mommy crazy in the car! You are on the top of our list of faves-thanks so much. BTW: "Fly" is one of the most beautiful songs I've ever heard."

"Thank you for sharing your song 'You Are The Strength' with me. It is a beautiful song. Your concern for children and your awareness of our role in fighting childhood cancer is clear in the lyrics and setting them to a tune in a minor mode creates an emotional impact."
